

Math: Area Geogrid

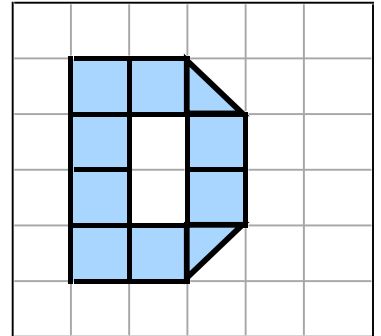

Area = 9 square units

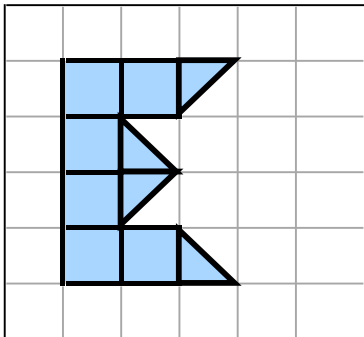

Area = 10 square units

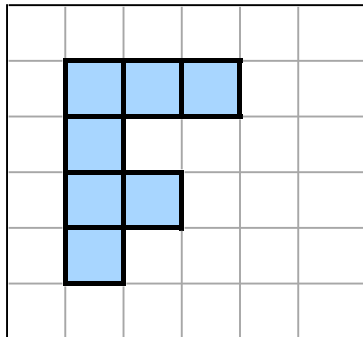

Area = 8 square units

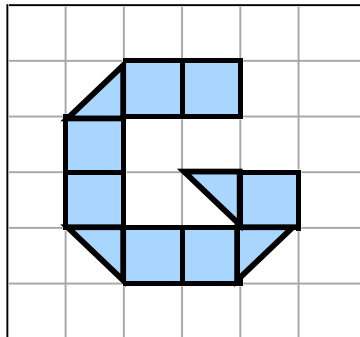

Area = 9 square units

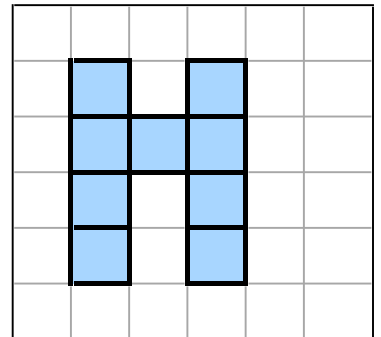

Area = 8 square units

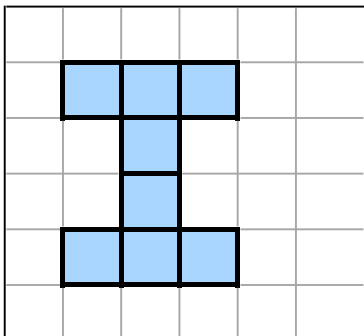

Area = 7 square units

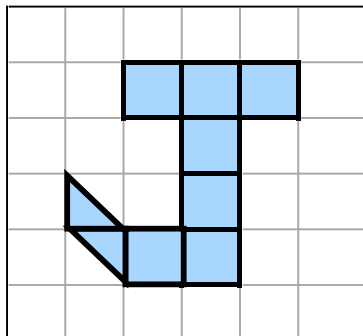

Area = 9 square units

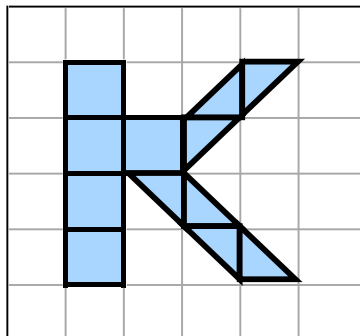

Area = 9 square units

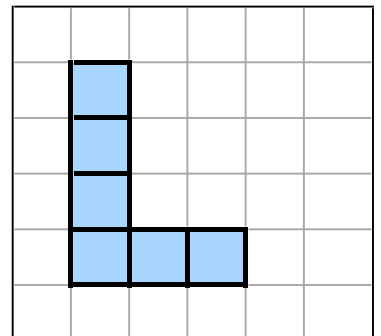

Area = 8 square units

Area = 8 square units

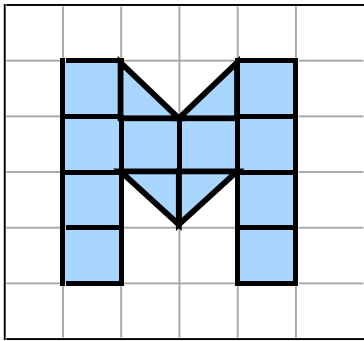

Area = 8 1/2 square units

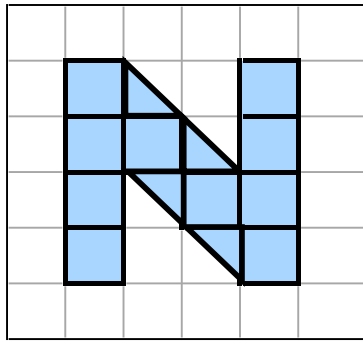

Area = 6 square units

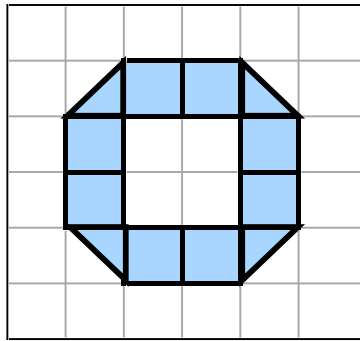

Math: Area Geogrid - page 2

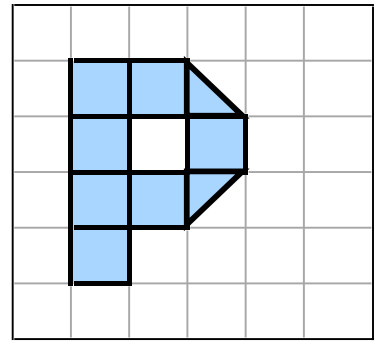

Area = 12 square units

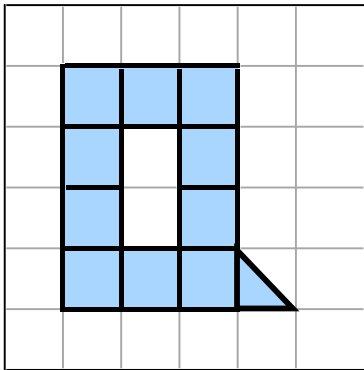

Area = 12 square units

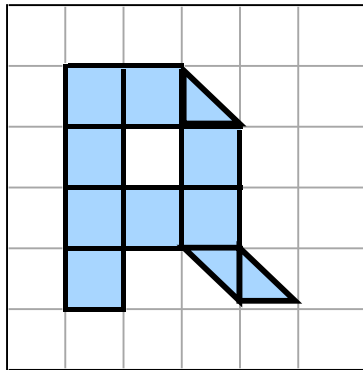

Area = 10 square units

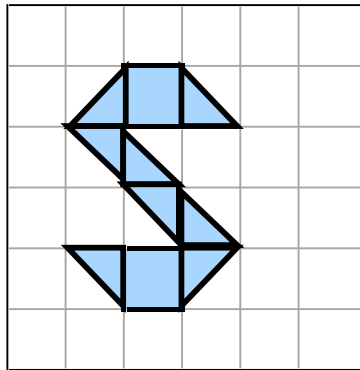

Area = 8 square units

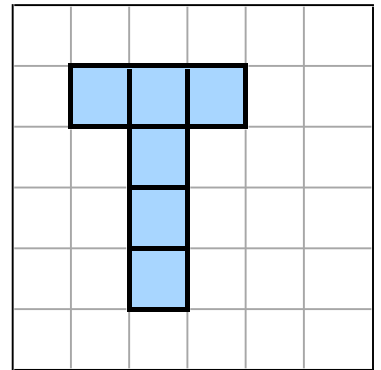

Area = 10 $\frac{1}{2}$ square units

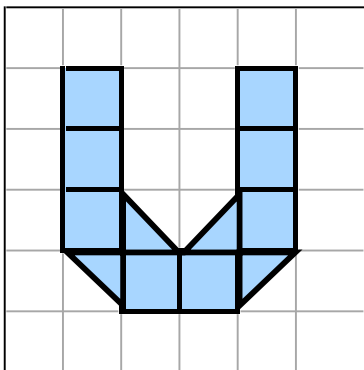

Area = 9 $\frac{1}{2}$ square units

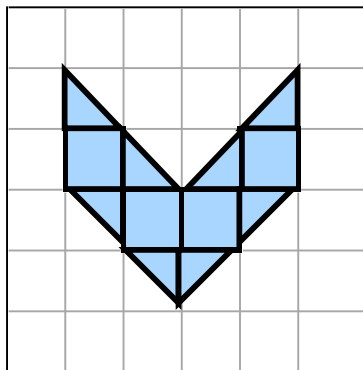

Area = 6 square units

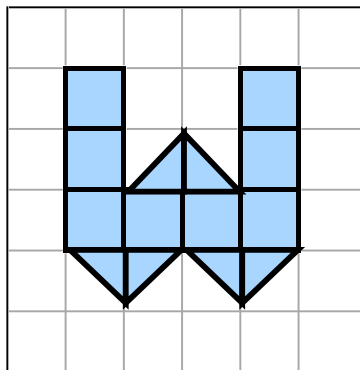

Area = 6 square units

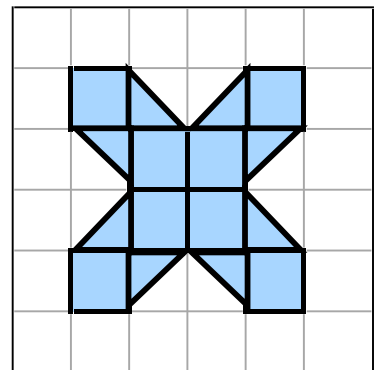

Area = 10 square units

Area = 8 square units

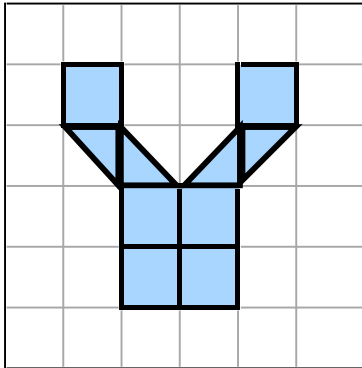

Area = 11 square units

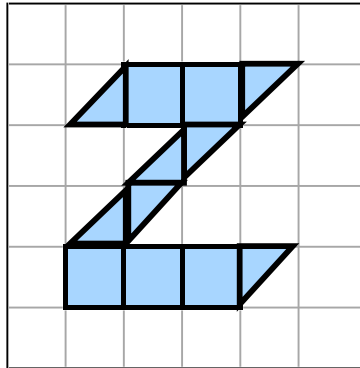

Area = 12 square units

Math: Area Geogrid - page 3

Area = 8 square units

Area = 8 $\frac{1}{2}$ square units
